

Wiss Scissors and Shears

So tough you'll never think of

Wiss, the leading name in scissors since 1848, introduces a new family of ultra-durable scissors and shears designed for professional performance. Engineered with precision ground stainless steel blades and industrial-strength handles, these exceptionally tough tools provide razor-sharp cutting for the shop, home and garage.

- Precision ground blades for smooth cutting
- Heavy duty, premium grade stainless steel blades for extra durability and strength
- Ergonomic ring design for maximum comfort
- Adjustable pivot allows for fine-tuning to most comfortable setting
- Cuts paper, cardboard, heavy fabric, rope, leather, plastics, and more

A Legacy of Quality

Wiss began producing premier scissors, snips and specialty trade tools in 1848. From supplying scissors to Union Army medical units during the American Civil War to providing metal snips for use in building aircraft to the U.S. Army during World War II, the Wiss brand has a rich history of making tools that offer extraordinary performance and long life.
